Dear Friends,

Fourteen years ago we decided to do something to help the fight for breast cancer patients. Also, in 2011, we started Pink Links "Fore" CancerCare, a women's only charity golf tournament. Over the years, we have raised thousands of dollars for breast cancer research and in 2015 we decided to keep the money local and designate it to Lowell General Hospital TeamWalk for CancerCare.

TeamWalk funds make a difference in the lives of cancer patients by funding medications, nutritional supplements, wig and prostheses, support groups, skilled nursing visits, transportation, mini-grants focused on prevention and awareness, and supportive services to patients with all types of cancer. TeamWalk is unique in its support of patients living with cancer right here in our community. Our goal is to help people living with cancer find hope, courage and strength to continue living as a survivor.

We hope we can count on your support this year.

Sincerely,

Kathy Woods, Kathy Ramirez, JoAnn Spencer, Erin Quealy, Gianna Ramirez, & Lauren Spencer
