

Lowell General Hospital's *Healing Through Art* support group offers patients and caregivers a creative way to work through their cancer journey. In honor of the upcoming holiday season, the group created a variety of paintings reflective of this special time of year. Nine paintings are featured in a limited edition notecard bundle being sold to support TeamWalk for CancerCare.

The notecards can be purchased online for \$10 by visiting www.teamwalk.org (scroll down to eStore and click on **Holiday Cards**).

For more information, call **978-788-7170** or email andrea.jackson@lowellgeneral.org.
