Roundtrip Transportation

Funds are provided for 5 patients to get to treatment 3 times a week for a 6 week treatment program.

Wigs for 15 Patients

An important part of the healing process for many cancer patients includes taking control of their appearance. For patients who lose their hair during treatment, a wig can go a long way to regaining a sense of dignity and normalcy.

Make A Memory

Home Expenses

Dental Work

A cancer diagnosis can bring financial and emotional hardships to you and your loved ones. Making a memory together can strengthen relationships while providing a needed respite from the challenges of cancer.

For many cancer patients, the best place to heal is their own home. A \$1,000 donation could cover the cost of heating and electricity bills for 2 patients.

TeamWalk will pay for limited dental care, including evaluations and x-rays, prior to radiation therapy.

Wheelchairs and Walkers

Legal Consult

Mastectomy Products

TeamWalk grants support the purchase of medical equipment that allow the patient to heal and maintain quality of life with the help of mobility products.

Funds are provided for with legal support and estate planning to protect the patient and give them peace of mind as they face their cancer diagnosis.

TeamWalk is there to help patients cover the necessities so they can focus on their treatment and recovery without the worry and stress of added financial burdens.
