# TeamWalk 2024

Since its inception, *TeamWalk* has raised over **\$15 million to help more than 40,000 patients!**

*TeamWalk* funds make a difference in the lives of today's cancer patients by paying for medications, nutritional supplements, wigs and prostheses, support groups, skilled nursing visits, transportation, mini-grants, and supportive services to patients of all cancer types. Funds raised enable Lowell General Hospital to provide assistance, support, and services to help people feel better, build confidence and instill hope throughout their battle with cancer.
